THINK GLOBAL | Senior management team

Claudio Gatti | COO

Claudio inizia il proprio percorso professionale nel 1997 lavorando con alcune delle più importanti industrie aerospaziali e automobilistiche europee, sviluppando una forte esperienza nella logistica, nella gestione delle operazioni e nelle divisioni commerciali. Nel 2005 è entrato nel Terzo Settore prestando servizio con primarie ONG come capo progetto, direttore ospedaliero, direttore finanziario, direttore della pianificazione e budgeting e responsabile della logistica e degli acquisti.

Andrea Landini | CEO

Dopo una laurea in Scienze Politiche e un master in Internazionalizzazione d'Impresa, ha lavorato per più di sette anni nella cooperazione internazionale, principalmente in Africa e in Asia. A partire dal 2012 lavora come consulente per ONG, aziende private, istituzioni pubbliche e agenzie internazionali (ONU, ecc...) occupandosi principalmente di operations e training per progetti nel settore sanitario e agricolo.

Luca Frasca | Head of BD

Laureato in Scienze Geologiche presso l'Università La Sapienza di Roma, si è specializzato in procurement & logistica lavorando in diverse ONG - come Save the Children, Terres des Hommes, Oxfam - e maturando oltre 12 anni di esperienza nel procurement, WASH e logistica. Esperto in monitoraggio, analisi e rendicontazione, attualmente i suoi argomenti di interesse riguardano i diritti umani, la protezione dell'infanzia, il disagio educativo, la salute e la nutrizione.

Con chi lavoriamo | osc

THINK GLOBAL, in quasi 20 anni di esperienza con il terzo settore, ha collaborato con diverse organizzazioni non profit, ONG, cooperative, fondazioni e istituzioni internazionali, con budget che vanno da 1 a oltre 100 milioni di euro all'anno e personale da 5 a 3.000 dipendenti, all'estero e in Italia; abbiamo supportato attraverso attività di consulenza molte organizzazioni per ottimizzare la gestione di progetti di sviluppo e socio-assistenziali e in processi di capacity building, empowerment e riorganizzazione.

Abbiamo intrapreso percorsi di supporto tecnico di breve, medio o lungo periodo che hanno coinvolto molteplici aspetti: valutazioni, monitoraggio, privacy, sicurezza, risk management, budgeting, pianificazione e controllo, logistica e approvvigionamento, gestione delle operazioni, formazione e capacity building.

Multi-initiatives impact evaluation – Iraq | Final evaluation

The initiatives under evaluation aimed to provide support and improve the living conditions of displaced Iraqis, Syrian refugees, returnees and host communities in the Kurdistan Governorates most affected by the consequences of the conflict with ISIS. The evaluation analyzes to what extent the action of the Italian Cooperation has influenced national policies, strategies and programs, contributing to the achievement of the SDGs indicated in the project documentation.

More generally, main scope of the assignment is to evaluate how and to what extent the initiatives have changed the context in a direction of greater equity and social justice and influenced transversal issues (including human rights, gender equality, environment and disability) .

Think Global has been appointed for the end-term evaluation of the AICS-funded project.

Paths for social reintegration of people with mental illness in Burkina Faso.

The project intends to develop the model of taking charge of people with mental illness

promoted by the local counterpart Center Notre Dame de l'Espérance. This center, promoted by the Diocese and managed by the Saint Camille BF Association, is the only one in the urban and peripheral context of Bobo Dioulasso to offer hospitality, treatment and the possibility for people with abandoned and wandering psychic distress to undertake social reintegration pathways. Activities aim to strengthen the synergies between this reality and the relevant services (Bobo University Hospital, CSPA related to the

Regional Health Directorate) and the community resilience capability, for the progressive institutional and social governance of the phenomenon.

Think Global has been appointed for the end-term evaluation of the AICS-funded project.
